

## Northern Forensics / Office of the Chief Medical Examiner Virginia Department of Forensic Science Prince William County, Virginia

In the Fall of 2005 McKinney and Company won a bid for the development of the Northern Forensics / OCME Facility located in Prince William County in Northern Virginia. Teaming with a number of firms, including Sheer Partners and DPR Construction, McKinney is providing services as principal designer for the high-end laboratory. The construction efforts of this facility were initiated by the Public Private Education Facilities Infrastructure Act of 2002 (PPEA) with proposed ownership through Virginia Biotechnology Research Park Authority, led by Bob Skunda. The facility would contain 3 investigative entities, including 60,000 SF of forensics space, 20,000 SF of shared space, and 26,000 SF of space dedicated to the Medical Examiner totaling 106,000 SF.
